Creating an Account

Begin by visiting the registration page at docs.roboticsfrc4419.com/register.

The screenshot shows a web browser window with a dark header. On the left is the 'REWIND 4419' logo. In the center is a search bar with a magnifying glass icon and the word 'Search'. On the right are links for 'Books', 'Sign up', and 'Log in'. The main content area is light gray and features a white 'Sign Up' form. The form has three input fields: 'Name' with the text 'Jane Doe', 'Email' with the text 'janedoe2025@hightechhigh.org', and 'Password' with a masked field of ten dots. Below the fields is a link 'Already have an account?' and a black 'Create Account' button.

If you are a student and member of Team Rewind please sign up using your **full name** and **school email address**

After registration, notify a mentor for approval. This could take a few days.

After a few days you should have full access to the docs!
