

Creating an Account

Begin by visiting the registration page at docs.roboticsfrc4419.com/register.

The screenshot shows the 'Sign Up' form on the website. The form is centered on a light gray background. At the top of the page, there is a black navigation bar with the 'REWIND' logo on the left, a search bar in the center, and 'Books', 'Sign up', and 'Log in' links on the right. The 'Sign Up' form itself has a white background and a black border. It contains three input fields: 'Name' with the text 'Jane Doe', 'Email' with the text 'janedoe2025@hightechhigh.org', and 'Password' with a masked password '*****'. Below the 'Name' field, there is a link that says 'Already have an account?'. To the right of this link is a black button with white text that says 'Create Account'.

If you are a student and member of Team Rewind please sign up using your **full name** and **school email address**

After registration, notify a mentor for approval. This could take a few days.

After a few days you should have full access to the docs!

Revision #2
